## OBJECTIVE

I am a second year engineering student pursuing B.Tech in CSE and currently studying in Sister Nivedita University.

My Objectives are:

- To work in an organization which provides me with ample opportunities to enhance my skills and knowledge along with contributing to the growth of the organization.
- Looking for opportunities to incorporate my skills and training to help the company grow.
- Seeking a challenging role at a reputed IT organization to utilize my engineering skills that can contribute to the company's growth as well as enhance my knowledge by exploring new things.

## WORK EXPERIENCE
